DISTRICT OF NEW JERSEY

THOMAS ROGER WHITE, JR., and  
PATRICIA CAULEY, on behalf of themselves  
and all others similarly situated,

Plaintiffs,

v.

SAMSUNG ELECTRONICS AMERICA, INC.,

Defendant.

Civil Action No. 17-01775 (MCA) (JSA)

**[PLAINTIFFS' PROPOSED]  
AMENDED PRETRIAL  
SCHEDULING ORDER**

**THIS MATTER** having been reinstated by this Court for further proceedings in accordance with the Opinion of the Third Circuit filed March 7, 2023; and the Court having considered the parties' proposed amended scheduling orders; and for good cause shown;

**IT IS** on this \_\_\_\_\_,

**ORDERED THAT:**

**I. DISCOVERY**

1. **Pre-Certification Discovery Deadline:** Fact discovery as to the putative class representative(s), Fed. R. Civ. P. 23 class certification, and liability, is to remain open through **June 7, 2024**. Discovery should be produced on a rolling basis. All fact and rebuttal expert witness depositions must be completed by the close of fact discovery. No discovery is to be issued or engaged in beyond that date, except upon application and for good cause shown.

2. The parties may serve interrogatories (limited to twenty-five (25) single questions), and requests for production of documents between **May 1, 2023** and **January 12, 2024**, to be responded to within thirty (30) days of receipt unless the parties stipulate otherwise. Substantial document production is to be completed by **April 19, 2024**.

3. Depositions of fact witnesses and individuals who will give lay opinion testimony based on particular competence in an area are to be completed before the close of fact discovery. No objections to questions posed at depositions shall be made other than as to lack of foundation, form, or privilege. See Fed. R. Civ. P. 32(d)(3)(A). No instruction not to answer shall be given unless privilege is implicated.

4. **Motion for Class Certification:** Motion for class certification to be filed by **June 7, 2024**.

5. **Opening Expert Reports for Class Certification:** Plaintiffs' affirmative expert reports needed for class certification shall be delivered by **June 7, 2024**. Depositions to be completed within 60 days of receipt of report.

6. **Responding/Reply Expert Reports For Class Certification:** Defendant's responding expert reports, if any, and briefs opposing class certification shall be delivered by **August 9, 2024**. Depositions to be completed within 30 days of receipt of report. Any reply expert reports and brief in support of class certification shall be delivered by **September 13, 2024**.

7. **Form and Content of Expert Reports:** All expert reports must comport with the form and content requirements set forth in Fed. R. Civ. P. 26(a)(2)(B). No expert shall testify at trial as to any opinions or base those opinions on facts not substantially disclosed in the expert's report.

8. **Deposition of Experts:** No objections to questions posed at depositions shall be made other than as to lack of foundation, form, or privilege.

9. Counsel shall confer in a good faith attempt to informally resolve any and all discovery disputes before seeking the Court's intervention. Should informal efforts fail to resolve the dispute, the matter shall be brought to the Court's attention via a joint letter that sets forth: (a) the specific discovery requested; (b) the response; (c) efforts to resolve the dispute; (d) why the complaining party believes the information is relevant and why the responding party's response continues to be deficient; including citations to appropriate caselaw; and (e) why the responding party believe the response is sufficient. If necessary, the Court will thereafter schedule a telephone conference to resolve the dispute. Failure by any party to meet and confer in good faith, or to participate in the joint letter protocol described above, absent good cause, will result in the Court deeming that party to have waived its right to take any position on the discovery issue(s) in dispute. No discovery motion or motion for sanctions for failure to provide discovery shall be made without prior leave of Court. Discovery disputes (other than those arising during depositions) shall be brought to the Court's attention no later than 30 days before the fact end date. The Court will not consider any discovery dispute (other than those arising during depositions) brought to its attention after this date. If an unresolved dispute arises at a deposition, then the parties shall contact the Chambers of the Undersigned for assistance during the deposition.

## II. FUTURE CONFERENCES

10. There shall be a telephone status conference on \_\_\_\_\_ at \_\_\_\_\_. The parties shall electronically file concise agenda letter(s) no later than three business days in advance of the conference. Counsel shall initiate the call to chambers once representatives for all parties are on the line.

11. The Court may from time to time schedule further conferences as may be required, either *sua sponte* or at the request of a party.

12. Counsel should be prepared to discuss settlement at every conference with the Court. The senior attorney in charge of the case must attend all settlement conferences and client(s) with full settlement authority must either attend or be immediately available by telephone. In cases involving insurance companies and other corporate or business entities, it is expected that the

executive who will make the final decision on the settlement will be the person available for the conference.

13. Since all dates set forth herein are established with the assistance and knowledge of counsel, there will be no extensions except for good cause shown and by leave of Court, even with consent of all counsel.

14. A copy of every pleading, document or written communication with the Court shall be served on all other parties to the action. Any such communication which does not recite or contain a certification of such service may be disregarded by the Court.

15. **No motions are to be filed without prior written permission from this Court, excepting motions in lieu of Answer under Fed. R. Civ. P. 12(b); motions to seal, or motions to admit *pro hac vice*.** All dispositive motions must first be subject to a dispositive motion pre-hearing. Discovery must be completed prior to the filing of a dispositive motion. If a party wishes to file a summary judgment motion before the conclusion of discovery, they shall submit a letter to Judge Arleo, copy to Judge Allen, not to exceed 5 pages, setting forth the basis for the motion. The Court will thereafter advise whether the motion can be filed. These prerequisites must be met before any motions are filed and the motions will be returned if not met. All calendar or dispositive motions, if permitted, shall comply with Local Civil Rules 7.1(b) and 56.1.

### III. FINAL PRETRIAL CONFERENCE

16. A final pretrial conference shall be conducted pursuant to Fed. R. Civ. P. 16(e) on \_\_\_\_\_.

17. All counsel are directed to assemble at the office of plaintiff's counsel not later than **ten (10) days** before the final pretrial conference to prepare the Final Pretrial Order in the compliance with the form and content requirements of the Court. Plaintiff's counsel shall prepare the Final Pretrial Order and shall submit it to all other counsel for approval before submitting it to the Court.

18. The original of the Final Pretrial Order shall be delivered to Chambers in hard copy not later than **three full business days** before the final pretrial conference. All counsel are responsible for the timely submission of the Final Pretrial Order.
